Leader Values:

I will commit, to the best of my effort, to living an exemplary Christian lifestyle while supporting the church’s leadership and beliefs.

I will commit to learning and growing through my daily time Christ (Vitamin C) and other coaching/training opportunities and Bible studies provided by the church.

I will commit to developing apprentice leaders and to cultivating a healthy and balanced small group.

I will commit to including new members and releasing mature members to start new groups over a time of 6-24 months.

I will commit to seeking balance with both the Great Commandment and the Great Commission in my group (open chair and multiplication).
